*Please note: The purity and germination test results reported on this form have been carried out in accordance with AOSA rules unless otherwise specified. Test results reflect the condition of the submitted sample and may not reflect the condition of the seed lot from which the sample was taken. Use of this information on a label or tag by the seller implies a guarantee that the sample is representative of the lot, hence the seller is responsible.

The Nebraska Seed Law requires that a complete test (Purity, Noxious Weed Exam, and Germination) must be obtained before any agricultural seed can be sold, offered for sale, or transported for sale.
